

KARTBUDDY LOGISTICS LLP.

SIMPLE NON-DISCLOSURE AGREEMENT (NDA)

Effective Date: 06th May 2025

1. Purpose

The Company is sharing confidential information with the Intern so they can perform their internship duties related to software or web development.

2. What is Confidential

Confidential information includes anything not publicly known that the Company shares with the Intern, such as:

- Source code, technical files, or app details
- Business plans or customer info
- Login access, internal tools, or documents

3. Intern's Responsibilities

The Intern agrees:

- Not to share confidential information with anyone.
- Only to use it for internship work.
- To keep it safe and secure.
- To return or delete it when the internship ends.
- Not to copy or misuse any of the Company's systems or data.

4. Duration

Although the internship lasts only for a **period of 3 months**, the intern is strictly prohibited from disclosing any confidential information—including but not limited to source code, client details, business strategies, or internal developments—during the internship and for a period of 2 years after it ends.

5. Legal Stuff

If the Intern breaks this agreement, the Company can take legal action. This NDA is under the laws of **Maharashtra, India**.
